

LALITHAPRIYA K

UI/UX Designer | Product Designer

Tiruvannamalai, Tamil Nadu, India | +91 89254 90563 | lalithapriyakumaravel@gmail.com | linkedin.com | behance.net

PROFESSIONAL SUMMARY

Results-driven UI/UX Designer with 3+ years of experience architecting end-to-end user experiences for SaaS products, dashboards, mobile applications, and web platforms. Proven track record of translating complex business requirements into intuitive, accessible, and scalable digital experiences grounded in human-centered design principles. Proficient in Figma, Framer, Webflow, and Adobe Creative Suite, with hands-on experience in HTML5, CSS3, and JavaScript for precise developer handoff. Skilled in UX research methodologies, design systems, interaction design, and cross-functional agile collaboration. Currently expanding expertise in AI-assisted design workflows and MCP-based systems to drive next-generation product experiences.

EXPERIENCE

UI/UX Designer

Aug 2023 – Present

Webtrendz Technologies India Pvt Ltd

Tiruvannamalai, Tamil Nadu, India

- Owned end-to-end product design lifecycle - from UX research, information architecture, and user flows to high-fidelity prototyping and developer handoff - across 30+ projects spanning SaaS dashboards, mobile apps, and marketing websites.
- Drove a 20% uplift in conversion rates by designing and executing A/B testing frameworks and iterative UX optimizations informed by heuristic evaluations and usability testing findings.
- Led a desktop application redesign initiative that improved user retention by 65% through streamlined information architecture, refined visual hierarchy, and intuitive interaction patterns.
- Architected and maintained a scalable component library and design system in Figma - including design tokens, reusable UI components, and pattern documentation - ensuring consistency across product teams.
- Conducted end-user research including contextual interviews, journey mapping, competitor analysis, and persona development to ground design decisions in validated user insights.
- Built interactive, responsive prototypes using HTML5, CSS3, and JavaScript to accelerate stakeholder alignment and reduce developer interpretation gaps.
- Designed accessible, WCAG-compliant interfaces with a mobile-first approach, ensuring inclusive product experiences across diverse user segments.
- Collaborated closely with product managers, developers, and business stakeholders in agile sprint cycles, contributing to sprint planning, design critiques, and cross-functional reviews.
- Produced motion graphics and micro-interactions using Adobe After Effects and Framer to enhance perceived performance and engagement across digital touchpoints.

Junior UI/UX Designer

Mar 2023 – Aug 2023

Webtrendz Technologies India Pvt Ltd

Tiruvannamalai, Tamil Nadu, India

- Designed responsive user interfaces for e-commerce, EdTech, and real estate platforms, applying mobile-first design principles and platform-specific UI guidelines.
- Contributed to wireframing, low-fidelity prototyping, and iterative UI improvements based on usability testing feedback and stakeholder input.
- Supported design QA and developer handoff processes, ensuring pixel-accurate implementation aligned with approved design specifications.

SKILLS

Design Tools: Figma, Framer, Webflow, Adobe XD, Adobe Photoshop, Adobe Illustrator, Adobe After Effects, Blender

UX Competencies: UX Research, Interaction Design, Information Architecture, User Flows, Journey Mapping, Wireframing, Prototyping, Usability Testing, Heuristic Evaluation, A/B Testing, Accessibility (WCAG)

Design Systems: Component Libraries, Design Tokens, Material Design, Responsive Design, Visual Hierarchy, Mobile-First Design

Technical: HTML5, CSS3, JavaScript, WordPress, Developer Handoff

Emerging: AI-Assisted Design Workflows, MCP-Based Design Systems, Prompt Engineering for UX

Methodologies: Human-Centered Design, Agile, Cross-functional Collaboration, Product Strategy, Design Thinking

EDUCATION

Master of Computer Applications

2025 - 2027

Amrita Vishwa Vidyapeetham

Coimbatore, Tamil Nadu, India

Bachelor of Computer Applications - CGPA : 9.3/10

2020 - 2023

Kamban College of Arts and Science for Women

Tiruvannamalai, Tamil Nadu, India

CERTIFICATIONS

Google UX Design Professional Certificate - Coursera

Google Digital Marketing & E-Commerce Certificate - Coursera
